## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The first school subsidy check was received from the State this week. The check of \$65,000.00 represents about two-thirds of the total subsidy payment. The other one-third will be paid to the town about the middle of December. This first payment will help the financial position of the town.

The tax bills should be out the last of next week. The rate of 41 mills should give every- one a fairly good idea of the size of their tax bill for this year.

Two manholes were construc- ted on Summer Street last week. This section of sewer has caused a lot of trouble in the past and had to be dug up several times this last winter. The man- holes won't keep the sewer from plugging but they will make it a lot easier to clear the line if it does become plugged. The ideal situation would be a man- hole every 300 to 400 feet on the whole sewer system. Until about four years ago there weren't any manholes. Since that time manholes have been built on all the reconstructed streets and in the trouble spots.

The surplus food is now stor- ed in a back room of the Com- munity Building and is distrib- uted from there. This should lessen some of the congestion on upper Main Street. There was- n't any cooking demonstration this month but the County Ex- tension representative is going to try to work one into her schedule for the last of Septem- ber.

## The Week in Oxford County

John Madden, 81, of 3 Nevers Street, Norway, suffered serious burns to the face, neck and arms last Thursday morning while at his work at the B. E. Cole Shoe Co. in Norway. He was taken to the CMG Hospital, Lewiston.

Brown Construction Co., South Portland, have started ex- cavation work on the Frank Peterson property, Pike's Hill, for the new million gallon wa- ter reservoir for Norway.

Among those who won votes to place first, second and fourth at the recent art exhi- bit in the Yaggar Neighborhood, Norway, are Sheridan Mc- Laughlin of West Paris, Mich- ael Pe. kins of Oxford, and Nan- cy Chute of South Waterford.

Work has started on cutting the right of way for the state highway reconstruction project in Newry. The project will start at the Branch Brook and extend to Poplar Tavern. This will greatly reduce the turn near the intersection of the state high- way and the Branch Road and eliminate a traffic hazard at this spot and at the Branch School House.

Mr. and Mrs. Stanley M. Wheeler of South Paris quietly observed their 50th wedding anniversary, Tuesday. They were married Sept. 3, 1913, by Rev. Chester Gore Miller, then pastor of the First Universalist Church and have spent their en- tire married life in South Paris. A small group of relatives and friends honored them Sunday with a reception arranged by their nephew, Howard Wheeler Cole and Mrs. Cole, Bethel. Mr. Wheeler is the senior member of the long-established insur- ance company of W. J. Wheel- er and Company, established by his father, and has been as- sociated with the business for 58 years.

Mrs. C. Henry Brown, Alpine St., Norway, is appointed as li- brarian of the Norway Memorial Library. Mrs. Brown is a gradu- ate of the University of Mi- ami and of Drexel Institute of Library Science. She has recent- ly been attending the Universi- ty of New Hampshire taking a course in Public Library Tech- niques.

## TEMPERANCE RALLYS TO BE HELD IN MAINE, SEPT. 8 TO 22

Rev. Roy S. Hollomon of Topeka, Kansas, is scheduled to address a series of "Social Concerns" Temperance Rallies in Maine during the 2-weeks from September 8 to September 22, 1963.

Rev. Hollomon, Superintendent of the Kansas United Drys forces for the past 12 years has been jousting with John Barleycorn most of his life.

The dry movement is rolling across Kansas again, under the direction of Rev. Hollomon, staunchly supported by the prairie churches which won their first ban-the-booze battle in Kansas 80 years ago.

This year the state's hotel and motel operators, trying to attract more tourists and conventions to Kansas, got a bill

introduced in their legislature to permit sale of liquor by the drink. The drys raised such a fuss the bill didn't even get out of committee.

In Maine, this past winter the hotel and motel operators in hand with the liquor interests tried to have enacted a bill that would have permitted Sunday-sale-of-liquor. This, too, went down to defeat after hard fought battle by both the wets and the Maine drys.

Encouraged by success this year in trouncing an attempt to liberalize their state liquor laws, the Kansas drys are zealously promoting a return to state prohibition.

In 1880 Kansas became one of the first states to outlaw the

Rev. Roy S. Hollomon

sale of liquor. That constitutional amendment withstood all challenges until 1948, when voters repealed it in favor of package stores.

Although observers believe Hollomon and his Kansas drys will not win approval of his proposal this year the proponents of legal sale fear the Dry's strength in the prairie villages.

Rev. Hollomon toured Maine in 1961, with his wife, and was well received. His ability has brought him national recognition as one of our country's outstanding dry leaders. His personality and platform ability are also expressed through his regular Radio and Television broadcasts. He is an active member of the Executive Board of the National Temperance League, Washington, D. C.

Rev. Hollomon's tour of Maine is sponsored by the Christian Civic League of Maine in cooperation with the churches in the local areas where the rallies are being held.

Rallies are scheduled for Presque Isle, Houlton, Ellsworth, Westbrook, Mexico, Rockland, South Berwick, Brewer, Bangor, Searsport, South Paris, Bath, Machias, Lewiston and Augusta.

The Mexico rally will be held at the Mexico Baptist Church, Wednesday, Sept. 11, at 7:30 p. m. The South Paris fire station will be the scene of the rally Wednesday, Sept. 18 at 7:30 p. m.

## 20 SECONDS with the NAZARENE

God decreed: "Remember the Sabbath day, to keep it holy. Six days shalt thou labor... but the seventh day is the Sabbath."

We read in the New Testament that Jesus visited the place of worship on the Sabbath to teach and worship.

How long has it been since we've met Jesus at the place of worship? (Quotation from Exodus 20:8-10)

To Governor John H. Reed and  
Members of the Executive Council  
Gentlemen:

In compliance with the applicable statutes we submit herewith a condensed summary reflecting the activity in the operating funds of the State of Maine for the year ended June 30, 1963. Further details with respect to these and other funds and a balance sheet reflecting the financial condition of the respective funds will be included in the more complete financial report to be issued subsequently.

During the year ended June 30, 1963 new bonds were issued in the amount of \$3,500,000 and bonds in the amount of \$4,424,000 matured.
